AMENDMENT TO H.R. 3208
OFFERED BY MR. POMBO

In section 103(a)(5)(A), after “feasible” insert “, to the extent practicable without adversely impacting water quality and water levels in the Delta Channel”.

In section 103(b)(1)(A), strike “and” after the semicolon.

In section 103(b)(1), strike the period at the end of subparagraph (B) and insert “; and”, and after subparagraph (B) insert the following:

- 1 (C) avoids adverse impacts on water qual-
- 2 ity and water levels in the Delta Channel.
